

## Krystal Biotech Announces Closing of Public Offering of Common Stock and Exercise in Full of Underwriters' Over-Allotment Option

October 23, 2018

PITTSBURGH, Oct. 23, 2018 (GLOBE NEWSWIRE) -- Krystal Biotech, Inc. (Nasdaq: KRYS) (the "Company"), a gene therapy company dedicated to developing and commercializing novel treatments for patients suffering from dermatological diseases, today announced that it has closed the previously announced underwritten public offering of 3,000,000 shares of its common stock, at a public offering price of \$20.00 per share. In addition, on October 19, 2018, the underwriters fully exercised their option to purchase an additional 450,000 shares of the Company's common stock at the public offering price, less underwriting discounts. The gross proceeds to the Company from this offering were \$69.0 million, before deducting the underwriting discounts and commissions and other estimated offering expenses payable by the Company.

Cowen, William Blair and Cantor acted as joint book-running managers for the offering. Chardan acted as the lead manager for the offering.

The Company currently intends to use the net proceeds from this offering, if any, together with its existing cash, cash equivalents and short-term investments: (i) to continue to advance KB103 through clinical trials; (ii) to advance the pre-clinical development of KB105 with clinical trials anticipated to commence in the first half of 2019; (iii) to complete development of a good manufacturing practices certified manufacturing facility for scale-up production of its pipeline compounds and commencement of operations of that facility; and (iv) the balance for working capital and general corporate purposes, including research and development expenses and capital expenditures.

The offering was made pursuant to a "shelf" registration statement on Form S-3 (File No. 333-227632) that was originally filed with the Securities and Exchange Commission ("SEC") on October 1, 2018 and declared effective by the SEC on October 12, 2018. A final prospectus supplement and the accompanying base prospectus relating to the offering and the shares of Common Stock being offered were filed with the SEC and are available on the SEC's website at <http://www.sec.gov>.
