

Krystal Biotech Announces Settlement with PeriphaGen, Inc.

March 15, 2022

PITTSBURGH, March 15, 2022 (GLOBE NEWSWIRE) -- [Krystal Biotech, Inc.](#), ("Krystal") (NASDAQ: KRY5), the leader in redosable gene therapies for rare diseases, today announced it has reached a binding term sheet with PeriphaGen, Inc. ("PeriphaGen") to resolve all claims in the trade secret litigation filed by PeriphaGen on May 20, 2020.

Under the conditions of the term sheet, which are legally binding, Krystal will receive all of PeriphaGen's biological materials and skin assets and will pay PeriphaGen \$25 million within 10 days of the completion of a Final Settlement Agreement. The parties are expected to enter into a final settlement agreement within 45 days of March 12, 2022. Upon approval of Krystal's first product by the U.S. Food and Drug Administration (FDA), Krystal will pay an additional \$12.5 million, followed by three additional \$12.5 million dollar milestone payments upon reaching \$100 million in total cumulative sales, \$200 million in total cumulative sales and \$300 million in total cumulative sales reported by Krystal in its annual 10K filing.

The settlement contains no admission of liability or wrongdoing and includes a full release of the claims made against Krystal Biotech, Inc., Krish Krishnan, Suma Krishnan, PeriphaGen, Inc., James Wechuck and David Krisky. Each party will bear their own costs and fees. The case is expected to be formally dismissed within a month.

"We are pleased with the outcome and with this distraction behind us, we look forward to continued operational progress with our proprietary redosable gene therapy platform and associated technologies," said Krish S. Krishnan, Chairman & CEO of Krystal Biotech, Inc.

No further details will be discussed until a Final Settlement Agreement is completed.
